## About\_

We are dedicated to supporting survivors of domestic violence with a wide range of essential services. Our Safe Houses provide immediate shelter and 24/7 support, offering a secure space for individuals to heal and rebuild their lives. In addition, our Underground Railroad Program connects survivors to a network of trusted partners offering private, temporary shelter options to ensure safety and confidentiality.

We also offer a variety of vital services, including support groups, mental health care, health services, and specialized women and maternal protection services. Our social services program provides critical assistance to help survivors navigate legal, financial, and personal challenges, while empowering them to regain independence. With counseling, job training, and access to resources tailored to their needs, we are here to support every step of their recovery journey.

If you or someone you know is experiencing domestic violence, we are here to help. Reach out today to learn more about how we can support you in finding safety, healing, and hope for a brighter future.
